TAUNTON EARLY INTERVENTION PROGRAM - is currently doing telehealth visits and is taking referrals. The Taunton Early Intervention program provides services to families living in Berkley, Dighton, Lakeville, Middleboro, Raynham, Rehoboth, Seekonk and Taunton with children, aged birth to 3 years, who have or are at risk for a delay in development. Early Intervention services recognize the influence of a child's daily environment has on his/her growth and development. We focus on family education to help families support their child's development. Early intervention staff help connect families with available resources in their community. Please call Pat Bushika at 508-813-4695.

As we all recognize that this Pandemic is rapidly becoming a stressful situation for a lot of families and individuals. Below is a website you can also use to search for agencies to assist:
